G F#/D C G
My dream's to someday own some land

G F#/D C G
My dream's to someday own some land

G F#/D C Em
But how I'll get the money isn't fully yet quite planned

G C G
My dreams to someday own some land

G F#/D C G
And on that land I'll build my home
G F#/D C G
And on that land I'll build my home
G F#/D C Em
Fill it up with kids so I will never die alone
G C G
Yeah on that land I'll build my home

G F#/D C G

G F#/D C G
It's nice to have a plan for growing old

G F#/D C G
Unfathomable luxury- a plan for growing old

G F#/D C Em
It hits you all at once and then you wish that you'd been told

G F#/D C Em
That circumstances change and then you're kicked out in the cold

G F#/D C G
But everyone's worth something and it's not their weight in gold

G F#/D C G
But everyone's worth something and it's not their weight in gold

Cmaj7 G
Aaaaaaaaaaah (x6)
