

Breathe Me by Sia

Am C F Dm

Am C F Dm

Help, I have done it again

Am C F Dm

I have been here many times before

Am C F Dm

Hurt myself again today

Am C F Dm

And, the worst part is there's no-one else to blame

Am C F

Be my friend

Dm Am C F

Hold me, wrap me up

Dm Am

Unfold me

C F

I am small

Dm Am

and needy

C F

Warm me up

Dm

And breathe me (mute)

Am C F Dm

Ouch I have lost myself again

Am C F Dm

Lost myself and I am nowhere else to be found,

Am C F Dm

Yeah I think that I might break

Am C F Dm

Lost myself again and I feel unsafe

Am C F

Be my friend

Dm Am C F

Hold me, wrap me up

Dm Am

Unfold me

C F
