

If You Want Me - Once

 Gm
Are you really here?
 Cm
Or am I dreaming?
 D D7
I can't tell dreams from truth

 Gm
For it's been so long
 Cm
since I have seen you
 D D7
I can hardly remember your face anymore

 Gm Cm
And when I get really lonely
D D7
And the distance causes silence

 Gm Cm
And I think of you, of you smiling
D
With pride in your eyes
D7
A lover that sighs

[Chorus]

Gm Cm
If you want me
D Gm
Satisfy Me

Gm Cm
If you want me
D Gm
Satisfy Me

Gm Cm D D7 (Instrumental)

Gm
Do you really think
Cm
That you'd believe me
D D7
When others say I lie
Gm
I wonder if you could
Cm
Ever despise me
D D7
Though you know I try

Gm
To be the better one
Cm
To satisfy you
D D7
Because you're everything to me

Gm
And I'll do
Cm
What you ask me
D D7
If you let me be free (pause)

[Chorus]

Gm Cm
If you want me
D Gm
Satisfy Me

Gm Cm
If you want me
D Gm
Satisfy Me
