I spent my time - watchin' the spaces that have grown between us.
Em G C
And I cut my mind - on second best or the scars that come with the greeness.
Em G C
And I gave my eyes to the boredom - still the seabed wouldn't let me in,
Em G C
And I tried my best - to embrace the darkness in which I swim. (mute)

C Em G C
I'm walkin' back - down this mountain with the strength of a turnin' tide
Em G C
Oh the wind's so soft - on my skin, the sun so hard upon my side.
Em G C
Oh lookin' out at this happiness - I search for between the sheets.
Em G C
Oh feelin' blind and realize, all I was searchin' for was me.
Em G C D
Ooh all I was searchin' for was me. (Ohh)

Em D C Em
Keep your head up, keep your heart strong, no, no, no, no.
D C
Keep your mind set, keep your hair long. Oh my my darlin'
Em D C Em
Keep your head up, keep your heart strong, no no no no.
D
Keep your mind set in your ways, (pause)
C
keep your heart strong.

I saw a friend of mine the other day, and he told me that my eyes were gleamin'.
Em G C
Oh I said I had been away, and he knew, oh he knew the depths I was meanin'.
Em G C
And it felt so good to see his face, or the comfort invested in my soul.
Em G C
Oh to feel the warmth of a smile, when said "I'm happy to have you home.
Em G C D
Ooh I'm happy to have you home." Oohoooo

Em D C Em
Keep your head up, keep your heart strong, no, no, no, no.

 Em G C
Oh eyes like wild flowers within demons of change.
