

**Motion Sickness** by Phoebe Bridgers

(In 4)

C

F Am C  
I hate you for what you did

F C  
And I miss you like a little kid

Am C  
I faked it every time

G  
but that's alright

F  
I can hardly feel anything

C  
.. hardly feel anything at all

F Am C  
You gave me fifteen hundred

F C  
To see your hypnotherapist

Am C  
I only went one time

G  
You let it slide

F  
Fell on hard times a year ago

C  
Was hoping you'd let it go and you did

F C G F  
I have emotional motion sickness

Am Em F  
Somebody roll the windows down

C Dm  
There are no words in the English language

F C  
I could scream to drown you out

F C  
I'm on the outside looking through

F C  
You're throwing rocks around your room

Am C G  
And while you're bleeding on your back in the glass

F  
I'll be glad that I made it out  
C  
And sorry that it all went down like it did

F C G F  
I have emotional motion sickness  
Am Em F  
Somebody roll the windows down  
C Dm  
There are no words in the English language  
F C  
I could scream to drown you out

C G F  
And why do you sing with an English accent  
Am Em F  
I guess it's too late to change it now  
C Dm  
You know I'm never gonna let you have it  
F  
But I will try to drown you out

G F G

F G Am F G  
You said when you met me you were bored  
F G Am F G  
You said when you met me you were bored  
G Dm F  
And you were in a band when I was born

F C G F  
I have emotional motion sickness  
Am Em F  
I try to stay clean; you live without  
C Dm  
And I want to know what would happen  
F  
If I surrender to the sound  
Surrender to the sound  
Am
