

There is a Time by the Darlings (in 8)

Am / C / Am

Am
There is a time for love and laughter,
C Am
The days will pass like summer storms;
C Am
The winter winds will follow after,
Dm - Em Am
But there is love and love is warm.

There is a time for us to wander,
C Am
When time is young and so are we;
C Am
The woods are greener over yonder;
Dm Em Am
The path is new and the world is free.

There is a time when leaves are fallin',
C Am
The woods are gray, the paths are old;
C Am
The snow will come when geese are calling',
Dm Em Am
We need a fire against the cold.

So do your roamin' in the springtime,
C Am
You'll find your love and a summer sun;
C Am
The frost will come and bring a harvest,
Dm Em Am
And you can rest when the day is done.

There is a time for us to wander,
C Am
When time is young and so are we;
C Am
The woods are greener over yonder;

Dm Em Am
The path is new and the world is free.

Time is like a river flowing,
C Am
With no regrets, as it moves on;
C Am
Around each bend, the shining morning,
Dm Em Am
And all the friends we thought were gone.

There is a time for us to wander,
C Am
When time is young and so are we;
C Am
The woods are greener over yonder;
Dm Em Am
The path is new and the world is free.
