

Waitress Song - First Aid Kit

¾ TIME!

Intro: C

I could move to a small town
 F
 C F C

And become a waitress

 F
Say my name was Stacy
 C F C
And I was figuring things out

 G F C F C
See, my baby, he left me
 G F C F C
And I don't feel like it tonight

 F
I remember sleepless nights
 C F C

I remember Chicago

 F
I remember the music
 C F C
From the downstairs bar

 G F C F C
Girls, they just want to have fun
 G F C F C
And the rest of us hardly know who we are

(Chorus)

Dm F C G
It's a dark, twisted road we are on
Dm F C G
And we all have to walk it alone

Dm F C G Dm F C G
Ooohhh Ooohhh
Dm F C G Dm F C
Ooohhh Ooohhh

I could join the circus
When they come to town

Me and the freaks, the tamers
And that old sad clown

I'd walk across that tight rope head held high
So close to death I'd never felt more alive,

But you know

(Chorus)

It's a dark, twisted road we are on
And we all have to walk it alone

Ooohhh Ooohhh
Ooohhh Ooohhh

I could drive out to the ocean
And just stare in awe
I could walk across the beaches
And sleep under the stars

Our love would seem trivial and obscure
Now and never feel lost anymore

Ooohhh Ooohhh
Ooohhh Ooohhh
