And if you're still breathing, you're the lucky ones.

'Cause most of us are heaving through corrupted lungs.

C Am F G
Setting fire to our insides for fun

We are the reckless, We are the wild youth

One day we'll reveal the truth,

That one will die before he gets there.

C Am F G
And if you're still bleeding, you're the lucky ones.

I'm a lifeless face that you'll soon forget,
C F Am G
And my eyes are damp from the words you left,
C Am F G
Ringing in my head, when you broke my chest.
C Am F G
Ringing in my head, when you broke my chest.

And if you're in love, then you are the lucky one,

'Cause most of us are bitter over someone.
C Am F G
Setting fire to our insides for fun,
C F Am
To distract our hearts from ever missing them.

But I'm forever missing him.

C Am F G
And you caused it,
C F Am G
And you caused it,
C Am G
And you caused it
