

**Let it Be Me** by The Everly Brothers

C            G  
I bless the day I found you  
(E)  
Am            Em  
I want to stay around you  
F            C  
And so I beg you  
F            C  
Let it be me

C            G  
Don't take this Heaven from one  
Am            Em  
If you must cling to someone  
F            C  
Now and forever  
F            C  
Let it be me

F            Em  
Each time we meet, love  
F            C  
I find complete love  
Dm            Em  
Without your sweet love  
F            E7 G  
What would life be?

C            G  
So never leave me lonely  
Am            Em  
Tell me you love me only  
F            C  
And that you'll always  
F            C  
Let it be me

F                    Em  
Each time we meet, love

F            C  
I find complete love

Dm                    Em  
Without your sweet love

F                    E7 G  
What would life be?

C                    G  
I bless the day I found you

Am                    Em  
I want to stay around you

F            C  
And so I beg you
