

Love is a Stranger by Eurythmics

C - C - C x2

C

Love is a stranger

(e)

In an open car

To tempt you in

F ----->

And drive you far away

C

Ooh, love is a stranger

In an open car

To tempt you in

F

And drive you far away (fast)

And I want you

And I want you

And I want you so

C

It's an obsession

F

And I want you

And I want you

And I want you so

C ----->

It's an obsession

Love is a danger

Of a different kind

To take you away

F ----->

And leave you far behind

C

And love love love

Is a dangerous drug

You have to receive it

And you still can't

F

Get enough of the stuff (fast)

It's savage and it's cruel  
And it shines like destruction  
Comes in like the flood  
And it seems like religion  
It's noble and it's brutal  
It distorts and deranges  
And it wrenches you up

C

And you're left like a zombie

F

And I want you  
And I want you  
And I want you so

C

It's an obsession

F

It's guilt edged  
Glamorous and sleek by design  
You know it's jealous by nature  
False and unkind

C

It's hard and restrained  
And it's totally cool

F

It touches and it teases

C

As you stumble in the debris

F

And I want you  
And I want you  
And I want you so

C

It's an obsession

F

And I want you  
And I want you  
And I want you so

C

It's an obsession
